- Hydraulic Engine Oil
- Pneumatic Air Start

**PNEUMATIC AIR START PRODUCTS**

# AIRLINX GROUND SUPPORT EQUIPMENT PRODUCTS

## Commercial Aircraft Series Air Start Couplings

- Mates with all industry standard commercial air start nipples.
- Rugged design.
- Low pressure drop.
- Easy maintenance and overhaul.

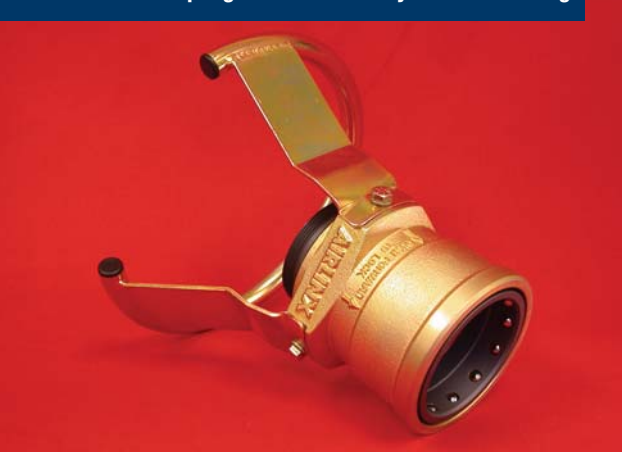

## The AIRLINX Advantage

- Positive "Lock" and "Unlock" positions.
- A colored ring identifier visually assures that the coupling is in the locked position.
- Three separate locking features.
- Extra heavy-duty handle resists bending.
- Semi-circle handle can be indexed for additional clearance in all aircraft panels.
- Handle designed for access to recessed aircraft nipples.
- Field-tested with positive results.
